

E-mail: info@prsea.org

Greetings: Don't just read about solar energy, become a member and get involved! By becoming a member of PRSEA you will receive future editions of our newsletter, attend meetings, and get involved in educational, technical and policy activities related to promoting a renewable way of life. You will learn about renewable energy technologies, designs, suppliers and can network with other consumers, designer and energy professionals who are committed to reducing energy waste through accelerated implementation of renewable energy and solar technologies.

To join, just print this form out from your web browser, and mail it with your annual dues to:

Potomac Region Solar Energy Association (PRSEA)
c/o PRSEA Membership
P.O. Box 809
Pasadena, MD 21123-0809

I would like to join the Potomac Region Solar Energy Association.
